Kite, Robin

Subject: AB 30

Robin,

I have a drafting request for Rep. Mursau.

AB 30, relating to the transport of game from out-of-state or by a person who is an Indian from that person's tribe's reservation, came out of the Special Committee on State-Tribal Relations. The amendment is to reinsert a provision of an early draft that the committee took out just before its final vote on the draft. Here is the language that was removed – you may want to revise it. As you drafted the bill, this would become s. 29.047 (1) (d) 1m.

The person holds a license issued by the tribe or band that authorized the person to transport, possess, or control the game or its carcass or proof of membership in the tribe or band, if the tribe or band does not issue licenses. A person may demonstrate membership in a tribe or band by presenting a tribal membership card or other documentation issued by the tribe.

As always, call with any questions.

Note that this request is **not** a rush.

Best regards –

David
